

LazyMonkeyAi Sales CRM

PRIVACY POLICY & TERMS OF SERVICE

Effective Date: August 3, 2026 | Version: 1.0.0 Enterprise

1. Introduction & Overview

LazyMonkeyAi Sales CRM is committed to protecting the privacy, confidentiality, and security of enterprise users, sales representatives, managers, and corporate organizations. This Privacy Policy & Terms of Service governs your access to and use of our mobile and web applications, cloud services, AI intelligence endpoints, and Meta/Facebook integration pipelines.

By registering, logging in, or utilizing LazyMonkeyAi Sales CRM, you agree to the collection, processing, and storage of information strictly in accordance with this policy. If you do not agree with any terms, you must refrain from accessing the application.

2. Information We Collect

We collect information to deliver high-performance CRM analytics, automated AI marketing workflows, and secure multi-tenant workspace management:

- **Account & Profile Information:** Full name, business email address, phone number, job designation (e.g., Sales Manager), branch location (e.g., Hyderabad Branch), company name, and avatar profile picture.
- **Sales & Pipeline Data:** Customer leads, contact details, deal stages (New Leads, Qualified, Proposal, Negotiation, Won), deal monetary values, conversion rates, follow-up dates, interaction notes, and uploaded sales documents.
- **AI Marketing & Prompt Data:** Prompts submitted to our AI Ad Pipeline, style selections (Photorealistic, Cyberpunk, Luxury Commercial), aspect ratio configurations, and generated marketing artwork produced via Gemini Imagen, DALL-E 3, and Claude integrations.
- **Meta & Social Media Campaign Data:** Connected Meta/Facebook page tokens, ad campaign spend analytics, organic post reach, click-through rates, and lead form auto-synchronization tokens.
- **Authentication & Security Data:** Encrypted JWT access and refresh tokens stored securely via hardware-backed encryption, IP address, device model, operating system, and biometric authentication status.

3. How We Use Your Information

LazyMonkeyAi processes data solely for legitimate business operations and platform optimization:

- To compute real-time sales revenue sparklines, pipeline funnel conversion analytics, and sales velocity metrics.
- To generate marketing copy and ad poster preview canvases tailored to your sales campaigns.
- To synchronize incoming leads from connected Meta/Facebook Lead Ads into your Sales Pipeline.
- To monitor team quota progress (revenue quotas, deal counts, and conversion percentages).
- To authenticate user sessions, enforce role-based access controls (RBAC), and prevent unauthorized access.

4. Data Protection & Zero Third-Party Selling Guarantee

YOUR DATA IS 100% SECURE. WE NEVER SHARE OR SELL YOUR INFORMATION. LazyMonkeyAi enforces a strict zero-selling policy. We do not sell, rent, monetize, or trade your enterprise CRM records, customer lead lists, or proprietary

marketing prompts to third-party advertisers, data brokers, or external entities.

All transmission of data between your mobile device or web browser and our AWS backend is protected using Industry-Standard TLS 1.3 encryption. JWT access tokens are stored in isolated, hardware-backed secure storage containers (Apple Keychain / Android KeyStore).

5. AI Content Generation & Intellectual Property

When using our AI Ad Pipeline, you retain full ownership and intellectual property rights over all generated promotional poster designs, copywriting, and ad creative artwork produced through your prompts. LazyMonkeyAi claims no ownership over your generated assets.

6. User Rights & Account Control

As a registered LazyMonkeyAi user, you have the right to:

- Access, review, and update your personal profile and branch settings at any time.
- Export your lead lists, pipeline deal metrics, and activity history in standard formats.
- Request permanent deletion of your user account, OAuth tokens, and stored workspace data.
- Adjust notification preferences for push notifications, deal alerts, and weekly summary emails.

7. Terms of Service & Acceptable Use

Users must comply with all applicable local, state, and international laws when utilizing LazyMonkeyAi Sales CRM. Prohibited activities include attempting to bypass JWT authentication, unauthorized API scraping, reverse engineering application binaries, or utilizing the AI generator to produce unlawful or infringing content.

LazyMonkeyAi provides the service on an 'as-is' enterprise SLA basis. We reserve the right to suspend or terminate accounts that violate security protocols or engage in unauthorized access.

8. Contact & Privacy Support

If you have questions regarding this Privacy Policy or data protection, contact our Compliance Office at: **roufbaig123@gmail.com** or visit the Help & Support section within the mobile application.
